Professional wired USB-A & USB-C headset - ACTIV200S

ACTIV200S HEADSET MICROPHONE FOR SMOOTH AND CLEAR PROFESSIONAL CONVERSATIONS

The ACTIV200S headset is the ideal ally for professionals seeking clarity, comfort, and focus.

Designed for modern work environments—open spaces, remote work, call centers, or online meetings—it delivers a high-quality audio experience while ensuring crystal-clear communication thanks to its built-in microphone.

Its intuitive controls directly on the wired remote control (volume, microphone mute, audio mute) allow you to maintain control without losing the thread of a conversation. Lightweight, sleek, and comfortable even during extended use thanks to its 180° rotating faux leather earcups, it promotes productivity while reducing ear fatigue.

Its USB connectivity guarantees quick and easy installation, Plug & Play, and compatibility with all work environments.

The ACTIV200S is a reliable and elegant solution for smooth and efficient professional communications, with ease.
