

Car audio tape adapter to jack 3.5mm

LISTEN TO YOUR SMARTPHONE MUSIC ON YOUR VEHICLE!

Do you have a vehicle with no Jack input, no USB port and no Bluetooth and you want to listen to music from your Smartphone and also manage your calls easily? This cassette adapter is ideal for listening to music from your Smartphone, tablet, MP3 player on your car radio. All you have to do is plug its angled 3.5 mm jack cable into your device and insert the cassette into your car radio. listen to your tracks directly without having to add any power supply or even without changing your car radio for more recent equipment!
