

Wireless HDMI screen sharing in Full HD

FOR AN EASY, CABLE-FREE PRESENTATION

Wireless screen projection system for meetings and conference rooms. Thanks to its USB-C transmitter and HDMI receiver, easily share your screen on your TV or projector. High-quality 1080p transmission. Range up to 10 meters. Plug & Play, no software required; installation and screen sharing are up and running in seconds. No more cables needed to display and share your content.
