

## 15 inch PC backpack ANTIBES

### A PRACTICAL AND ECO-DESIGNED BACKPACK

Discover the new ANTIBES backpack for laptops up to 15". Made of 75% RPET fabric and with a padded construction, it ensures the protection of your device. The backpack has a large zipped inner pocket, with a compartment for your computer, charger and other accessories such as notebooks, notepads, etc. On the front there are two pockets, one of which has a zipped pocket for pens and documents. Thanks to its composition, the backpack remains light and can be carried via the adjustable shoulder straps or its central handle. It also has a trolley strap on the back for easy use with a trolley or suitcase.
