## 15.6" CITY backpack

THE CITY IS YOURS

T'nB's new look for luggage!

Enter a whole new era by discovering how we've combined modernity and innovation. This backpack will revolutionise your everyday travel thanks to its many advantages. The 5 cm shape memory provides optimum protection for your device against the slightest impact, giving you peace of mind.

The soft touch we've added to the inside doubles this protection, preventing scratches of any kind.

No more accessories getting lost at the bottom of the bag, thanks to the integrated organiser with its elastic bands and dedicated pockets, you can organise and store your accessories as you please and find them in an instant.

The back pocket is dedicated to your camera, so you can protect it and carry it with complete peace of mind.

The additional front pocket will hold all your personal belongings. Are any of them valuable? No problem! There's an anti-theft pocket on the back of the backpack where you can hide valuables. The back of the rucksack is padded to prevent any discomfort, so you can travel for long hours without the slightest pain.

The all-new design of this bag gives it a modern, elegant look that you can proudly display in a professional or personal environment.

This backpack is practical. Its lightness makes it comfortable to carry. Its trolley strap means you can slip it onto a suitcase/trolley and save yourself a lot of space when travelling.

As well as being water resistant, this bag is made from 87% RPET material, i.e. recycled and recyclable plastic. A real boost for the planet.
