## 16" **IMPACT** Backpack

### IMPACT YOUR LIFE

Discover a revolutionary backpack that will accompany you every day. Its modern and sleek style will seduce you as much as its practicality. The design, specially created for the Impact range, is inspired by upcoming trends and will allow you to have an undeniable style in all circumstances. Its geometric reinforced shell is a true revolution in the world of luggage and is at the heart of innovations. Its 7 mm thick EVA shell protects your entire backpack and your devices. This bag is resistant to drops and shocks, allowing you to remain calm. In addition, the added pads on the back and shoulder straps provide real comfort; your back will thank you! Its dimensions allow you to have it with you at all times and to carry all your essentials: electronic devices, chargers, hard drives, etc., as well as your personal belongings. A pocket specially designed for your computer or tablet allows you to maintain true organization in your reinforced briefcase. Storage and pockets have been integrated, as well as a mesh pocket that allows you to carry a few clothes if necessary.

Two zipped side pockets hold a bottle or other items. Not using it? No problem, the pocket blends perfectly with the design; simply zip it up.

An anti-theft pocket is accessible on the back of the backpack. In addition to being zipped, it will lie flat against your back when carrying the bag. No risk to your valuables.

On the shoulder straps, you'll find a glasses holder and a pocket for your credit card, which will be within easy reach.

A trolley holder is available on the back to avoid clutter when traveling.

In addition to being water-resistant, this bag is made of 73% RPET material, which is recycled and recyclable plastic. A real boost for the planet.

Its double zippers allow for easy and comfortable opening. It can accommodate a device up to 16 inches.
