2XUSB and 2XUSB-C 78W Car Charger

CHARGE UP TO 4 DEVICES SIMULTANEOUSLY AT MAXIMUM SPEED!

Car charger with two USB ports and two USB-C ports, totaling 78W.

This car charger is the ideal travel companion for anyone traveling with multiple electronic devices.

It can deliver up to 78W of total charge, ensuring simultaneous charging of all four devices.

Thanks to its 30W USB-C PD ports, you can prioritize certain devices and benefit from a turbo charge.

The charger has two USB ports (12W max each) and two USB-C ports (30W max each) for a total maximum power of 78W.

Furthermore, the four USB ports are equipped with SMART IC technology; its chip detects all connected devices and provides optimal charging.

It also features protections to prevent overheating, overcharging, and short circuits.

Crafted from aluminum alloy and featuring a scratch-resistant coating, this premium charger will blend perfectly with your car's interior!

Ultimate quality is backed by a lifetime warranty on this product*.
