Premium 98W 2XUSB and 3USB-C Car Charger and Extension Cable

CHARGE ALL YOUR DEVICES WITH A SINGLE ACCESSORY.

Do you often have passengers in the back of your vehicle who want to charge their electronic devices?

This cigarette lighter charger with one 18W USB port and one 30W USB-C port features an extension cable for rear passengers with one 18W USB port, one 20W USB-C port, and one 30W USB-C port on a remote dock.

The three remote ports are grouped together in a discreet housing that blends seamlessly into your vehicle.

The housing features a clip that allows you to attach it wherever you like in the vehicle.

The CACSHARE3 allows you to charge up to five devices simultaneously.
