ECO air vent grid jaw holder

YOUR ESSENTIAL HOLDER!

Are you looking for a compact and discreet support to install your Smartphone in your

This support is made for you. It attaches and removes from your air vent in a single

Thanks to its attachment, it is compatible with most models of cars, trucks and campers.

In addition, it is universal and compatible with all smartphones up to 7 inches.

This support is designed with 70% recycled plastic (rABS).

Its gray color gives it a sober and retro look that will fit perfectly into your interior.

Its bamboo wood surface gives it a unique look.

Compact, discreet and rotating, it is the essential support for your journeys!
