## 3-in-1 pack with charger, cable and multi-surface motorized stand

### IDEAL CAR PACK WITH HOLDER, CABLE AND CHARGER!

The motorized smartphone holder specially designed for use in cars.

Simply hold your smartphone close to the holder to activate the opening.

The holder is powered by a USB-USB-C cable connected to the included cigarette lighter charger.

This versatile holder adapts to any type of vehicle, thanks to its suction cup for windshields and dashboards, as well as the air vent adapter.

Compatible with any smartphone up to 7 inches.

The holder also features a telescopic arm to adjust the position of your holder.

The 360° rotating head allows you to tilt your smartphone in both portrait and landscape mode for optimal comfort.
