

CD player magnetic holder

THE IDEAL LOCATION!

Magnetic smartphone mount to insert in your CD player.

Ideal to access your smartphone in a single move, this mount combines convenience and performance:

- Large magnetic surface that ensures maximum stability, made for your smartphone.
- Thanks to its universal holder, this mount is fitted for all the car CD players.
- Equipped with rubber stabilizer pads, this mount is made to preserve your CD player's mechanism.
- Allows you to listen to your CD when it is inserted into the CD player, for most of the models.

The holder is adjustable thanks to its rotative head and comes with a metallic plate that you would have stuck at the back of your smartphone or case.
