

## Magsafe Multi-Surface Magnetic Mount

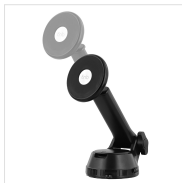

### THE MOST POWERFUL MAGNETIC HOLDER ON THE MARKET!

Ideal for accessing your Smartphone in a single gesture in the car, this premium support redefines the standards of the magnetic support:

- Ultra stable Magsafe magnetic system. It ensures an ultra stable attachment, ideal for large smartphones.
- Support supplied with two Magsafe metal rings.
- Premium finish with a silicone surface.
- Large and stable multi-surface suction cup, for optimal support.

It will hold your iPhone or phone with great stability on which you have previously stuck an adhesive metal ring provided.

In order to adapt to all vehicles, the support is adjustable thanks to its rotating head. The CARMAGSF3 is also adjustable thanks to its telescopic and height-adjustable arm.
