

Universal Magsafe Compatible Magnetic Air Vent Mount

COMPACT AND DISCREET, THE IDEAL SUPPORT FOR YOUR JOURNEYS!

This ultra-compact and elegant magnetic mount easily attaches to your vehicle's air vent. It allows you to access your smartphone in a single movement, while ensuring convenient and secure use in the car.

Thanks to its universal mounting system, it fits most air vents and is easy to remove. The smartphone is held securely in place thanks to the included adhesive metal ring, which is compatible with all models, including those without magnetic technology (MagSafe).

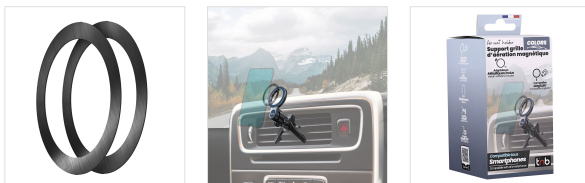

High magnetic power: Equipped with 20 powerful and perfectly aligned permanent magnets, the mount offers exceptional adhesive strength (up to 2 kg).

Customizable orientation: The 360° swivel ball joint allows you to easily adjust the viewing angle to suit your needs.

Stability and protection: The stabilizers ensure a secure hold while protecting the air vents.

Comfort and convenience: The integrated cable management keeps the cable securely in place for a clean dashboard and hassle-free charging.
