

Universal Magsafe Compatible Magnetic Air Vent Mount

COMPACT AND DISCREET, THE IDEAL SUPPORT FOR YOUR JOURNEYS!

This ultra-compact and stylish magnetic air vent mount is ideal for accessing your smartphone in a single movement, even in the car.

Its mounting system fits most vehicles and is very easy to remove.

It will hold your smartphone securely after attaching the included adhesive metal ring. This adaptive metal ring is compatible with phones without magnetic functionality, such as MagSafe.

It aligns perfectly with the MagSafe magnets in your iPhone 12 or later for a secure hold. Strong magnetic power.

Equipped with 20 powerful and perfectly aligned permanent magnets, this MagSafe car mount provides excellent grip (maximum tensile force of 2 kg).

Its UV-treated surface and glossy finish protect your phone. The mounting ball rotates 360° for a perfectly adjusted viewing angle.
