

Magnetic support for dashboard and on-board computer

YOUR COMPACT, FOLDABLE AND ROTATING SUPPORT!

Discover our discreet and adaptable mount to keep your smartphone within reach and within sight!

To attach your mount, simply position it on your dashboard or on the back of your on-board computer.

The mount is adjustable to best suit your needs.

Telescopic rod to adjust the mount's length.

Once your mount is attached, a central button will allow you to rotate it: orient your smartphone as you wish.

Its large magnetic surface guarantees optimal support and makes it suitable for the vast majority of phones on the market.

Magsafe compatible mount.

3M mounting sticker for optimal support.
