## BOUNCE active noise cancelling Bluetooth headphones

### BOUNCE !

BOUNCE! Enough to enhance all the sensations of your music. Thanks to its super-encompassing format, the BOUNCE headphones offer ultra-powerful natural isolation from external noise. Combined with active noise cancelling technology, which reduces surrounding noise by up to 25 dB, the BOUNCE headphones provide real immersion in your musical bubble.

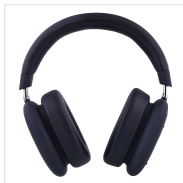

Comfortable and light, it is an integral fashion accessory. The alliances of blue of the leather finish of the ear cushions and the headband provide a marked style, both elegant and prestigious.

Its leatherette pads are removable and washable.

The headset connects via Bluetooth and offers up to 50 hours of battery life with 50% sound; up to 40 hours with Noise reduction mode activated. You can also use it in wired mode thanks to the included 3.5mm jack cable. Whatever the mode of use, enjoy breathtaking sound quality.

The headset is equipped with control buttons and a microphone: manage your playlists and make your calls without using your smartphone.

BOUNCE, the helmet that makes you move!
