TONALITY Bluetooth headphones - Terracotta

FASHION HAS NO LIMITS.

The TONALITY circumaural headphones, or the combination of terracotta and raspberry pink that give a new dimension to your musical desires. Its foam pads and the lining of the headband provide optimal comfort. The headphones offer you a battery life of 50 hours on a single charge: it accompanies you in music for a whole day! And if that is not enough, use the included 3.5 mm jack cable and extend the experience even further. Its encompassing format makes your experience immersive: cut yourself off from outside noise and immerse yourself in your thoughts for hours. The headphones offer you the most faithful sound reproduction, and the integrated controls allow you to navigate between music, manage the volume, answer a call. The integrated microphone allows you to make your calls with complete freedom of movement. The foldable headset and adjustable headband make it essential for all your travels. It's obvious: the TONALITY range is made for you!
