TONALITY on-ear wired headphones

FASHION HAS NO LIMITS.

The TONALITY supra-aural headphones, or the combination of lila & lavender which give a new dimension to your musical desires. Its foam pads and headband lining provide optimal comfort. The headset gives you 24 hours of battery life on a single charge: it accompanies you in music for a full day! And if that's not enough, use the included 3.5mm jack cable and extend the experience even further.

Thanks to the Equalizer mode, switch between the different listening modes, BASS BOOST, POP MODE or VOICE FOCUS, by pressing a simple button! The headset offers you the most faithful sound reproduction, and the integrated controls allow you to navigate between music, manage the volume, and answer a call. The integrated microphone allows you to make your calls with complete freedom of movement.

The foldable helmet and the adjustable headband make it essential for all your travels. It's obvious: the TONALITY range is made for you!
