## Professional Bluetooth and wired USB-A/USB-C speakerphone - black

### THE IDEAL PARTNER FOR YOUR MEETINGS

High quality professional wireless speaker. Bluetooth or wired USB-A/USB-C connection.

FULL DUPLEX technology: the audio stream is not interrupted if an interlocutor speaks simultaneously, which makes the exchange and the conversation more fluid.

3 integrated omnidirectional microphones for 360° sound capture. Suitable for up to 5-6 people with ideal voice pickup within a 3m radius.

High-end processor and DSP algorithm for real-time echo cancellation and ambient noise reduction.

High quality sound diffusion, making it a speaker perfectly suited to simply listening to music.

Intuitive control with central rotary volume control. As pleasant as it is easy to use.

Rechargeable and long battery life of 12 hours in conference calls at maximum volume. also compatible with smartphones thanks to its Bluetooth connection or in wired mode thanks to its included USB-C OTG adapter.

Compatible with all operating systems (Windows, macOS, Linux) and all major videoconferencing software (Teams, Zoom, Google Meet, Skype, etc.).
