GAN wall charger 3 USB with foldable plug power delivery 65W

**FAST CHARGE ALL YOUR 65W DEVICES WHEREVER
YOU GO**

This multi-port travel charger is designed for fast and efficient charging of your electronic devices. Equipped with two USB-C ports and one USB-A port, it offers a maximum power of 65 W, ideal for phones, tablets, laptops and other compatible devices. Its compact size and design make it easy to carry, in fact the EU plug is foldable, making it the essential accessory for your travels. Once folded, the charger is extra-thin which makes it very easy to store, even in a trouser pocket. You can charge up to three devices at the same time while benefiting from a turbo charge. With these 65W you can even charge your laptop. The charging power adapts according to the type of device you are charging, no need to worry if you switch from your computer to your smartphone, the charger will automatically adapt the power. Charge 80% of your Samsung S24 in 30 minutes
Power per port:
USB-C 1 = 65W
USB-C2 = 65W
USB-A = 18W
This charger is a perfect choice for those looking for a compact, efficient device that is compatible with many electronic devices.
