## GAN 65W charger with integrated cable

### ENJOY ULTRA-FAST CHARGING UP TO 65W

Quickly charge all your mobile devices with USB Power Delivery technology. This charger is compatible with all devices equipped with a USB Type-C port, up to 65W. The charger features two USB-C outputs, a 65W female USB-C port, and a 70cm retractable USB-C cable.

Never lose your cable again; it's integrated directly into the charger. Plus, it's fully retractable, so it'll always be neat and tidy.

When using a single USB-C port, the power output will be 65W / Using two USB-C ports simultaneously will deliver 32.5W.

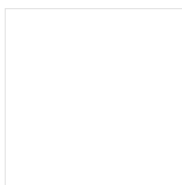

The PD function will only provide optimal charging on PD-compatible devices.

The Power Delivery function allows you to charge your compatible devices very quickly, without damaging them thanks to protections against overvoltage, overheating, and short circuits. You can charge your laptop (up to 65W)

The PD function is compatible with iPhone 12 Mini, 12, 12 Pro, 12 Pro Max, 11, 11 Pro, 11 Pro Max, XR XS, XS Max, X, iPhone 8, and iPhone 8 Plus.
