Smartphon - Smartphone chargers - USB Type-C chargers

1 USB-C Power Delivery + USB-A Quick Charge wall charger 30W

Fast charge all your mobile devices thanks to USB Power Delivery function. This wall charger is compatible with all USB Type-C enabled devices, up to 30W. PD function will offer optimal charging performance for USB Type-C devices that support PD function. USB-PD enables compatible devices to charge faster at higher voltages and protects your devices against over-current, over-voltage, overheating and short circuit. USB Type-C PD is compatible with USB Type-C cable. The Quick Charge 3A USB-A port will allow you to charge any other device up to 18W. PD function is compatible with iPhone from iPhone 8
