

USB-C to ACER Charger Tips - Compatible with USB-C chargers

EASILY ADAPT YOUR USB-C CHARGER TO YOUR ACER PC

Transform any USB-C Power Delivery charger into an adapter compatible with your ACER devices with this set of smart tips. Each tip is designed to precisely match the power connector used by ACER devices, ensuring a stable and secure charge. Ideal for mobile users or for reducing the number of chargers you carry, this kit lets you centralize your charging needs while maintaining compatibility with your existing devices. Simply connect the tip to your USB-C (Power Delivery-compatible) cable or charger, and you're ready to go!

Designed with a right angle for improved ergonomics and enhanced durability, these tips ensure a reliable connection and excellent durability. Their compact size makes them easy to carry in a sleeve or computer bag. Set of 4 tips to cover all ACER compatibility.
