

Smartphon - Smartphone chargers - Wireless chargers

## Wireless charger 10W

Wireless charging technology is compatible with most smartphones with induction technology.

Very easy to use, just place your smartphone on the wireless base to start charging.

Maximum charging capacity up to 10W.

To reach 10W, you have to use your original wall charger or buy T'nB QC3.0 wall charger.

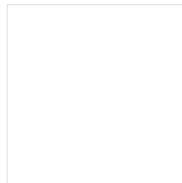

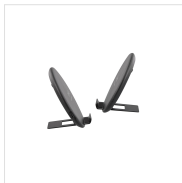

Thanks to the removable part, you can enjoy flat or stand wireless charging, depends on your needs.

Compatible with Samsung S6/S7/S8 & iPhone 8/8 Plus/X...
