

3in1 Qi 2.2 25W wireless charger - SmartCharge

CHARGE ALL YOUR DEVICES SIMULTANEOUSLY WITH A HIGH-PERFORMANCE CHARGING STATION.

Optimize your daily life with the Smart Charge 3-in-1 Wireless Charging Station, designed for demanding and tech-savvy users. Equipped with a Qi2.2 certified charging pad, it delivers up to 25W of power for fast and stable charging of your smartphone, while ensuring perfect compatibility with MagSafe and Pixel Snap technologies.
This smart station allows you to simultaneously charge your wireless earbuds with a dedicated 3W charging pad, as well as your smartwatch via an innovative 2-in-1 system. Its 180° rotating mechanism lets you instantly switch between Apple Watch and Samsung Galaxy Watch compatibility, without compromise.
Designed for simple and immediate use, it comes with a high-performance 45W GaN wall charger and a 1-meter USB-C to USB-C cable. A magnetic ring is also included to make any smartphone compatible with MagSafe or Pixel Snap magnetic attachments.
Compact design, advanced technology, and maximum versatility: this charging station quickly becomes an essential part of your mobile ecosystem.
