THE ALARM CLOCK THAT FITS PERFECTLY INTO YOUR DECORATION

Add a trendy touch to your interior with this wood-finish LED alarm clock!
Find essential information: time, date, interior temperature.
Take advantage of the multi-alarm mode to program up to 3 different alarms to wake you up gently.
The alarm clock has 3 brightness levels and automatic adjustment between 6 p.m. and 7 a.m. to adapt the brightness to the surrounding light.
You have the choice between classic mode, in which the time display remains constant, or energy saving mode in which the display turns off after 15 seconds. The alarm clock then turns back on by touch or by voice.
