STUDIO wired monitoring headphones

THE HEADPHONES MADE FOR MIXING PROS!

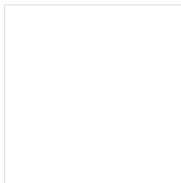

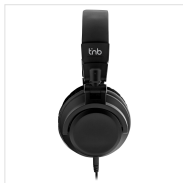

The STUDIO headphones are designed for true music lovers. For DJ nights, recordings, mixing or instrumental sessions, plug these headphones into your sound card or amps and be in your room like a real studio! The helmet is super encompassing. The pads are 180 rotatable, to be used in an instant, in the heat of the action. The foams are made of velvet for total comfort during long sessions. The helmet is adjustable to fit all body shapes, and foldable to be carried anywhere. The 3.5mm jack cable is twisted and offers a maximum length of 2 meters. The 3.5mm to 6.35mm jack adapter is included in the packaging.
