ECO-FRIENDLY WIRELESS EARPHONES

TWS ECO earphones

Composed of 35% wheat fibers, ECO headphones give you the opportunity to listen to your music in a more sustainable way while guaranteeing you optimal sound quality. In addition, thanks to a clean and trendy style, the ECO earphones are almost a fashion accessory in their own right!

They have been designed for your daily life:

In addition, their ergonomic design makes them ultra comfortable, you will have the feeling of not wearing any earphones!

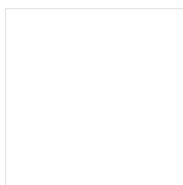

Touch control will allow you to easily control your music from your headphones.

The included charging box will allow you to transport them while recharging them thanks to its powerbank function. So never run out of battery!
