

Make your life *easier*

Sou - Earphones - TWS wireless earphones

## ENERGY PLUS sport true wireless earphones

FILL UP ON ENERGY AND SURPASSE YOURSELF !

Discover ENERGY FREE sports headphones, your infallible ally for unrivaled performance!

ENERGY FREE headphones, the ideal companion for your training. With the conduction structure, enjoy your music while remaining open to the surrounding world and the dangers you may encounter.

With their wireless connection, adjustable silicone earhook and ultra-light weight, they provide optimal comfort and stay in place during your most intense exercise sessions. With IPX5 certification, they resist splashes, sweat and rain. Train without constraints, whatever the weather conditions, these headphones accompany you in all your efforts. Intuitive built-in controls let you easily control music and calls, while the battery gives you up to 35 hours of uninterrupted battery life! (7 hours on a single charge - 4 recharges). You know the remaining battery level at a glance thanks to the charge indicator inside the case.

Don't let anything stop you, enjoy your music to the fullest with ENERGY FREE headphones.
