## TWS FEAT 3 Wireless Earbuds

### MUSIC IN ITS PUREST FORM

The FEAT headphones are the very essence of music, a faithful reproduction in its purest form.

Under this mini design lies everything you need to fully express yourself: Bluetooth 6.0 semi-in-ear headphones with clear, precise sound and deep bass; all in a miniature case, like a true pocket accessory!

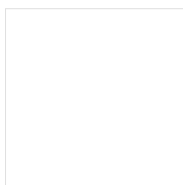

Appreciate the metallic finish on the stems of the headphones; it's the little details that make a big difference.

The headphones offer a total battery life of 12 hours, enough to keep you going all day long.

Use the touch controls to pause your music, adjust the volume, or change tracks with a simple gesture. Plus, thanks to the integrated microphone, make clear calls without having to touch your smartphone. The FEAT 3 headphones: truly everything you need, in a miniature accessory.
