## TWS ZIP Wireless Earbuds with Active Noise Cancelling

### IMMERSIVE SOUND, UNRIVALED STYLE

The ZIP ANC earphones and their legendary design are even more powerful! Made of real aluminum, the charging case offers the true feel of the legendary Zippo! Open the case with a single movement through its side opening and set the stage for a truly unique musical experience. The in-ear design delivers exceptional sound power and deep, dark bass, while isolating ambient noise. Plus, enjoy two dedicated listening modes:

- Active noise reduction up to 25 dB for total immersion in your playlist.
  - Transparent mode for openness to the outside world and surrounding noise.
- Their secure fit and ergonomic design ensure complete freedom of movement, all with a total battery life of over 35 hours, including 7 hours of earbud battery life on a single charge. The earbuds feature touch controls, allowing you to manage volume and track selection with a single tap. Thanks to the built-in microphone and ENC (Environmental Noise Cancellation) technology, you can answer and make clear calls without using your smartphone and enjoy unparalleled call quality.
