ZIP semi in-ear TWS earphones white

LIGHT FIRES WITH THE ZIP EARPHONES

ZIP headphones and their legendary design return with a compact and modernized version.

Open the case in one gesture using its legendary side opening, set things on fire, always in style!

The total autonomy of the earphones exceeds 24 hours. Enjoy 6 hours of battery life on a single charge; and recharge your headphones 3 times via the case. The LEDs on the front of the case allow you to know the remaining battery within it.

The semi-in-ear headphones, miniature version, transcribe your favorite music as faithfully as possible. Use the touch controls to manage volume, playback tracks, and take calls without using your smartphone.
