Portable FM radio with tuning wheel

RADIO IN YOUR POCKET, EVERYWHERE

Enjoy your favorite shows and music anytime with this ultra-compact FM/AM pocket radio. Its small size (13 x 7 x 3 cm) makes it easy to slip into a bag or pocket, perfect for travel, walks, or home use.

The side dial allows for precise frequency tuning to listen to your favorite stations on FM (87 to 108 MHz) and AM (520 to 1710 kHz). A separate volume dial lets you adjust the listening experience to your liking.

Discreet and practical, it features a 3.5 mm headphone jack for listening to the radio without disturbing others. An indicator light shows when it's on.

With its simple and functional design, this radio is a must-have for those who value portability and convenience.
