GRADIENT Bluetooth speaker - LED RGB

A TRUE MUSICAL RAINBOW!

The GRADIENT speaker will let you see music in full color! Its 15 light modes will illuminate all your playlists: color gradation, rapid flashing, fixed color, white lighting... Take control of a real musical rainbow! The speaker has a 3 Watt RMS amp, and an average battery life of 4 hours. Use the speaker by connecting your smartphone via Bluetooth 5.0, via a micro SD card or via the 3.5mm jack port. In a mini format (8 x 6 cm) with its metallic finish grille, the GRADIENT speaker will never leave your side! Control your music without using your smartphone via the buttons located below: volume control / playback tracks. Finally, thanks to the TWS connection, connect 2 speakers together and create a stereo universe!
