Waterproof Luminous Enclosure

LIVEN UP YOUR POOL!

Waterproof and luminous Bluetooth speaker - your ally for festive moments, wherever you are!

Immerse yourself in the atmosphere with this floating and waterproof IP68 Bluetooth speaker, designed to liven up your evenings by the pool, at the beach or even in the bath. With a power of 5W, it offers quality sound while being practical thanks to its hands-free function, to answer your calls with ease.

It shines with its autonomy of up to 7 hours, perfect for your long listening sessions. Its little extra? An integrated digital thermometer to check the water temperature in the blink of an eye.

Combine music and comfort with this luminous and multifunctional speaker!
