RAINBOW Bar Bluetooth Speaker

ALL THE COLORS OF MUSIC!

The RAINBOW speaker is a subtle blend of sleek, stylish design, portable size, and precise, clear, and balanced sound. A speaker that adds a touch of elegance to your home and contributes to your good mood outdoors; one that accompanies you wherever you go throughout the day.

Rediscover all the colors of music in a single gesture, creating shared atmospheres. With the RAINBOW speaker, each shade is a glimpse of emotion to be unleashed.

Its true 10W RMS power delivers faithful reproduction of all frequencies, from the lowest to the highest, with a battery life of over 8 hours.

In addition to Bluetooth connectivity, you can also use the speaker via the 3.5mm jack, the SD card slot, or FM radio mode.

In its miniature format (24*7 cm), the speaker includes volume and track controls. Finally, thanks to the TWS connection, connect 2 speakers together and create a stereo universe!
