RAINBOW Cube Bluetooth Speaker

ALL THE COLORS OF MUSIC

The RAINBOW speaker or the subtle blend of a pure and trendy design, a portable format, and a precise, clear and balanced sound. A speaker that brings its touch of elegance to your interior and contributes to your good mood outdoors; which accompanies all your movements during the day. Find in one gesture all the colors of music, which are as many shared atmospheres. With the RAINBOW speaker, each shade is a sketch of emotion to be hatched. Its 5W speaker offers a faithful reproduction of all frequencies, from the lowest to the highest; and this with an autonomy of more than 10 hours. In addition to the Bluetooth connection, you can also use the speaker via the 3.5mm jack port, the SD card port or the FM radio mode. In its miniature format (10*10 cm), the speaker includes volume and track controls. Finally, thanks to the TWS connection, connect 2 speakers together and create a stereo universe!
