RAINBOW Cube Bluetooth Speaker

ALL THE COLORS OF MUSIC!

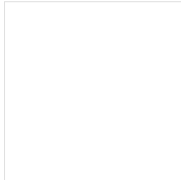

The RAINBOW speaker is a subtle blend of sleek, trendy design, a portable format, and precise, clear, and balanced sound. A speaker that adds a touch of elegance to your home and boosts your mood outdoors; the perfect companion for all your daily activities.

Rediscover the full spectrum of musical colors, creating countless shared moods. With the RAINBOW speaker, every hue is a sketch of emotion waiting to blossom.

Its 5W speaker delivers faithful reproduction of all frequencies, from the bass to the treble, with a battery life of over 10 hours.

In addition to Bluetooth connectivity, you can also use the speaker via the 3.5mm jack, micro SD card slot, or FM radio.

Despite its miniature size (10 x 10 cm), the speaker features volume and track controls. Finally, thanks to the TWS connection, connect two speakers together and create a stereo sound system!
