Foldable desktop smartphone holder -**INFLUENCE**

SIMPLIFY YOUR LIFE!

With its sober and minimalist design, this holder is the ideal accessory for placing your smartphone on a desk, in the living room or in the kitchen.

Adjustable and robust, it offers an excellent setting of your smartphone during video or movie viewing.

The center of gravity of the support guarantees the maintaining of the smartphone. The

rubber finish protects the smartphone from scratches and slips.

Its adjustable height, from 12.5 cm to 16.5 cm allows it to adapt to your use.

Foldable and light, it will follow you everywhere!
