Telescopic tripod with smartphone holder - INFLUENCE

THE MUST-HAVE ASSOCIATION FOR THE PHOTO AND VIDÉO AMATEURS!

The combination of a large tripod and a smartphone holder: an essential accessory pack for photo lovers.

The tripod is foldable and transportable. Choose the height you want to install it, from 50 cm to 160 cm.

The tilt ball joint located on the top of the holder has a 1/4 "screw. It allows you to attach the smartphone holder to it, and to tilt it to the desired angle.

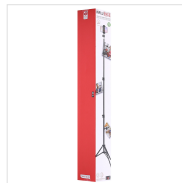

The smartphone holder is compatible for all smartphones up to 8 cm wide. It has a hot shoe to add a microphone or a LED light.
