ERGO - Wired ergonomic keyboard

THE ERGONOMIC SOLUTION FOR THE OFFICE!

Ergonomically shaped keyboard with numeric keypad.

Its ergonomic wave shape minimizes wrist movement in order to reach all the keys with minimal effort. This relieves the wrists for long periods of use such as at work.

Its undulation allows for easy and instinctive handling, even for those not familiar with ergonomic keyboards.

Equipped with a pleasant integrated wrist rest in imitation leather, ideal for not having to raise your arms. This avoids straining the arm muscles.

The ergonomic keyboard also has 4 adjustable pads to tilt the keyboard forward or raise it backwards. The inclination is adjustable to two heights thanks to its double pads. Dual PC and MAC compatibility.

BOX CONTENTS

- 1x ERGO - Wired ergonomic keyboard

- 1x User manual

Characteristics

43x21x2

Windows/Linux

Black

Ref.: **KBERGO2**

3 303170 121405
