

IP68 medical wired keyboard - AZERTY (FR) black

DURABLE AND WASHABLE

Its 100% waterproof IP68 certified coating allows this keyboard to be used in the most demanding environments. Whether in environments highly exposed to dust and liquids, or in an environment with hygienic constraints. Its full silicone coating allows it to be cleaned regularly and easily, using liquid cleaning products without risks. Thanks to its smooth surface, the keyboard does not retain bacteria and dirt, dust cannot slip into its structure. Adjustable intensity backlighting.
