## SLIM TOUCH rechargeable wireless keyboard with integrated touchpad - AZERTY (FR)

### IDEAL FOR SMART TVS

Rechargeable Bluetooth wireless keyboard with integrated touchpad, designed for optimal use and an exceptional typing experience. Ideal for browsing on a connected TV or remotely from your computer thanks to its integrated touchpad.

Dual Windows and macOS compatibility.

Compact and ultra-thin, it offers ideal ergonomics by minimizing hand movements.

Rechargeable with a built-in 300mAh battery, it guarantees weeks of use after a single charge.

Compatible with Windows and macOS systems, its multifunction keys and 13 multimedia shortcuts facilitate productivity.

Its elegant and all-black design fits perfectly into any work environment. The scissor structure of the keys ensures pleasant and satisfying typing comfort.
