Ultra-thin rechargeable wireless Bluetooth mac keyboard - AZERTY (FR)

PREMIUM TYPING COMFORT

Rechargeable Bluetooth wireless keyboard with an ultra-thin design. Designed with 85% recycled plastic. Its compact shape is recommended by ergonomists because it minimizes hand movement, while maintaining the practicality of a full numeric keypad. Rechargeable with its built-in 300mAh battery, enjoy many weeks of use on a single charge. Dual Bluetooth and USB-A 2.4 GHz connection mode. Switch from one computer to another in 1 click. Thanks to its multifunction keys, it is compatible for Windows and macOS users. Its 13 multimedia shortcuts make it an ally of your productivity. Adjust the brightness or volume of your device with ease. Its thin scissor keys are comfortable, silent and satisfying, to rediscover a real typing pleasure.
