MINI ultra-thin rechargeable Bluetooth keyboard - AZERTY (FR)

THE ULTIMATE MULTIFUNCTION KEYBOARD

Rechargeable Bluetooth wireless keyboard with ultra-thin design.

Designed with 85% recycled plastic.

Its compact shape is recommended by ergonomists because it minimizes hand movement.

Rechargeable with its built-in 300mAh battery, enjoy many weeks of use on a single charge.

Bluetooth and USB-A 2.4GHz dual connection mode. Switch from one computer to another in 1 click.

Thanks to its multifunction keys, it is compatible for Windows and macOS users.

Its multimedia shortcuts make it an ally for your productivity. Adjust the brightness or volume of your device with ease.

Its fine scissor keys are comfortable, quiet and satisfying, providing real typing pleasure.
