## Simple monitor support with adjustable height

**THE SIMPLEST SOLUTION TO SETTLE YOUR SCREEN.**

Screen pole with simple articulation and adjustable height. Its steel finish assures its solidity and its reliability in time. The articulation of the arm and the head, combined with its 360° rotation around the pole allow you to find the ideal position for your monitor. The cable management clips allow you to organize and clear your office. Ultra simple installation thanks to its clamping screw compatible with desk between 10 and 85 mm of thickness. Handles screen weight until 8 kgs. Articulated arm : +/-90°. Tilt angle : +/-45°.
