USB-A & USB-C Wired Mouse - OFFICE

DUAL USB-A AND USB-C CONNECTIVITY

The OFFICE mouse collection has been designed to provide you with everything you need for navigating in the office or at home.
Its slightly ergonomic shape has been designed for an easy, natural, and comfortable grip. Plug & Play, ready to navigate instantly as soon as you plug it in, without installation.
Its dual USB-C and USB-A compatibility allows you to connect it to all your devices. Equipped with 6 buttons, including 2 side shortcuts, to easily navigate to your previous or next content.
Excellent precision up to 3600 DPI, to accurately track your work.
Silent clicks are pleasant to the touch and the ear.
1.5m cable length for complete freedom of positioning at your desk.
Matte black finish is pleasant to the touch and durable.
