Ergonomic vertical wireless mouse dual connection Bluetooth + USB-A

DESIGN FOR COMFORT.

Discover the rechargeable wireless vertical ergonomic mouse, designed to provide exceptional comfort and ideal for prolonged use. Its vertical design inclined at 53° reduces strain on the wrist, promoting a natural hand posture and preventing pain associated with prolonged use. This mouse connects easily via Bluetooth or USB-A, providing great flexibility of use on various devices. Its integrated rechargeable battery guarantees long autonomy, no need to change batteries. Ideal for professionals and intensive users, this mouse combines performance, comfort and modernity. With its easily accessible shortcut "previous" and "next" buttons, it allows for smooth and quick navigation. Suitable for all uses, the T'nB ergonomic mouse is the perfect choice to improve your productivity while preserving your well-being.
