## Ultra-lightweight vertical ergonomic wireless mouse

**DESIGN AT THE SERVICE OF COMFORT.**

Ultra-light rechargeable wireless mouse.

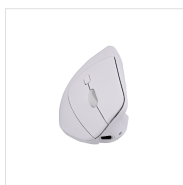

Its structure designed to optimize its weight, while maintaining premium features such as its rechargeable battery and its dual USB-A 2.4GHz and Bluetooth connection mode, helps reduce muscle stress as much as possible.

Coupled with its vertical shape which allows you to adopt a natural position, at the level of the arm, wrist and hand. In the long term, the vertical mouse relieves muscles and prevents pain and Musculoskeletal Disorders (MSDs).

6 buttons (including "next", "previous", dpi adjustment, clickable wheel).
