USB-A Rechargeable Wireless Mouse - POWER

DUAL USB-A AND BLUETOOTH CONNECTIVITY

The POWER mouse collection has been designed to provide you with everything you need for navigating at the office or at home. Its slightly ergonomic shape has been designed for an easy, natural, and comfortable grip. Plug & Play, ready to navigate instantly as soon as you plug it in, without installation. Its dual USB-A and Bluetooth wireless connection allows you to connect it to all your devices. Equipped with 6 buttons, including 2 side shortcuts, to easily navigate to your previous or next content. Excellent precision up to 3600 DPI, to accurately track your work. Silent clicks are pleasant to the touch and the ear. 500 mAh USB-C rechargeable battery, enjoy many weeks of use on a single charge. Matte black finish is pleasant to the touch and durable.
